Lesson 3 Notes

Target Skill   Compare and Contrast

Compare and Contrast:
    -**compare**: show how things are similar or the same.
    -**contrast**: show how things are different

Target Strategy   Infer/Predict

Infer: you understand something that is not stated directly.

*What you know + what the text says = inference

Idioms: phrases with meanings that differ from the literal meanings of the words.
    ex: we can push our luck

Formal and Informal Language

*   *formal language:* proper-how you talk with adults
*   *informal language*: improper-how you talk with friends
